Submission form for members' questions

HKEF Ordinary Yearly Meeting

Monday 23rd May 2022

In order to shorten the OYM in the interests of the health of attendees, our Executive Committee will only answer questions which are submitted before the meeting. This year, there will not be any Open Forum after the formal meeting.

Members are strongly encouraged to read the Annual Report and accounts and all Sub-Committees' reports and submit questions to the Executive Committee on the form below. This will help us to devise a structured and short discussion.

Members may address questions to individual members of the Committee or for general discussion. Questions and comments concerning present or future policy aimed at improving the work of the Federation will be given preference.
