CHAPTER VII GENERAL RULES FOR COMPETITIONS
(to be read in conjunction with the Rules for each discipline)

Article 132 – Recognition

1. No competition shall be recognised by the EFHKC unless judged under EFHKC Rules, or in the case of International competitions, under the Rules of the FEI. Such competitions are termed Affiliated Events.
2. For all Affiliated Events, a draft schedule must be submitted by the Organising Committee to the EFHKC for approval no later than 4 weeks before the first competition day of the Event.

Article 133 – Entries

1. Organising Committees will make appropriate arrangements to invite entries for each competition included in the schedule of the Competition. The individual Athlete must ensure that both he and his Horse are eligible for each competition entered. Late entries may be accepted at the discretion of the Organising Committees, in the case of late entries submitted less than 1 hour before the competition, in consultation with the Ground Jury. Late entries will start first.
2. A complete list of Athletes and Horses, including late entries and any changes in the published programme, must be supplied to the Ground Jury ten minutes before the start of the competition.
3. Organising Committees may in their discretion permit an Athlete or Horse eligible for the competition to be substituted for an Athlete or Horse already entered in the competition. However no Horse that is already entered in a competition may be substituted for another Horse in the same competition. It is the responsibility of the Organising Committees to make sure that the Judge has been notified of the substitution.

   Except when the rules of the competition provide otherwise, no Athlete may ride more than three Horses in the same competition.

Article 134 – Veterinary Examination

1. Horses entered for competitions may be required by the Ground Jury or Organising Committees to undergo a veterinary examination by the attending veterinarian before being allowed to compete.

Article 136 – Hors Concours (Out of Competition)

1. The Organising Committees of Events have full discretion in the application of Hors Concours in all Competitions (except Horse of the Year Show and competition under FEI rules). This means that Horses can be entered as H.C. for any reason acceptable to the Organising Committees subject to the guide lines below:

   1.1 The Athlete must be a member of the EFHKC and otherwise eligible to ride in the competition.

   1.2 During an Event the Horse/Athlete combination must be entered H.C. in any further competitions over the whole event in which it is entered subsequent to the first one in which it competes H.C.

   1.3 A Horse may not be ridden competitively in a class if it has entered under H.C. by another rider in the same event.

2.

   2.1 If Dressage and jumping are held as separate competitions within an Event a Horse may be entered in one discipline as H.C. and the other in full competition regardless of which discipline comes first.

   2.2 No Horse/Athlete may take part in a competition under H.C. for which either is under qualified.

3.

   3.1 Horses must be nominated as H.C. on the ENTRY FORM. Under no circumstances may an Athlete declare a Horse to be H.C. after the event commences.

Article 137 – Organising Committees

1. Competition Calendar

1.1 EFHKC Affiliated Events are national/ local International events which have been officially approved and sanctioned by the EFHKC, and must consist of a series of points accumulating competitions for the purpose of EFHKC Horse of the Year Awards. Only results from Ranking Competitions are recognized for EFHKC Horse of the Year Awards points accumulation, national team selections as well as any financial subventions and sponsorships under the auspices of the EFHKC.

1.2 For an Affiliated Events to be sanctioned by the EFHKC, it must be widely accessible to all Athletes and Riding Clubs/Schools so that the results are representative of the Athletes' effort and achievement against their peers. For this purpose, it is necessary to establish an annual events calendar to be published before the commencement of each competition season to give Athletes a fair chance to plan their training and competition schedules ahead of time.

1.3 Fairness and integrity are the cornerstones for all competitive sporting events and we must strive to create a level playing field as much as humanly practicable. For this reason, all EFHKC Affiliated Events and Ranking Competitions must be run continuously at a single venue in the same arena so that all Athletes and Horses are competing under the same conditions.

1.4 Organising Committees intending to hold EFHKC sanctioned National or International (FEI) Events must submit the Competition Application Form (CAF) on or before [15 July] of the preceding Competition Season, accompanied by a Calendar Fee Hong Kong Dollar Three Thousand (HK$3,000) as stipulated by the Board of Directors from time to time.

1.5 In principle, EFHKC will only sanction ONE (1) EFHKC Affiliated Event for each calendar week (Monday to Sunday), but an Organising Committee can request to be put on the waiting list; only ONE (1) OC will be put on the waiting list for each calendar week. This request must be submitted before [15 July] preceding the start of the competition season following the same procedure applying for an EFHKC Affiliated Event, a Calendar Fee will be levied. This Calendar Fee is, however, refundable if the Organising Committee has not been awarded an EFHKC Affiliated Event THIRTY (30) days before the calendar week in question (see below for substitution procedure for an Organising Committee on the waiting list).

1.6 For the benefit of the Athletes to better manage their competition plans and for the promotion of the equestrian sports, only one Event per Discipline will be sanctioned on any given calendar week (Monday to Sunday) to avoid clashes. Events of different Disciplines are considered separate Events and can be held over the same calendar week.

1.7 Should there be more than one Organising Committee applying to host an Event on the same week, the dates will be awarded on a first-come-first-serve basis.

8/F, Central Complex Building, Shatin Racecourse, Shatin, New Territories, Hong Kong 香港沙田馬場綜合大樓八樓
info@efhkc.org 2966 5078 2966 5082 www.efhkc.org

In any event, an Organising Committee who had hosted an event on the same week in the preceding Competition Season shall have priority over other applicants and have the right of first refusal to host an Event on that same week.

1.8 Should a sanctioned EFHKC Affiliated Event or any of the Competitions therein fail to meet the standard of competitions as prescribed in the Event Schedule, or in exceptional circumstances where an outbreak of disease or any other unforeseen circumstances have the effect of limiting movement of Athletes or Horses in a way that compromises the participation of an event, the EFHKC Secretary General, in consultation with the EFHKC Rules subcommittee, will revoke any affected EFHKC Affiliated Events and invalidate any results as it is unfair to award any EFHKC Horse of the Year Award points or sanction any results at events where the majority of Athletes and Horses cannot participate.

1.9 The EFHKC shall notify all applicants on or before [1 August] in writing whether the applied dates are available. If the applied dates are not available, alternative dates will be suggested to ensure the maximum number of events are accommodated in the Competition Season.

1.10 If the applied dates cannot be granted to an Organising Committee and no mutually agreeable alternative dates can be found, the Calendar Fee will be refunded in full.

1.11 If an Organising Committee cannot organise an awarded EFHKC Affiliated Event on the week in question for whatever reason, it must notify the EFHKC no later than THIRTY (30) days before the event. In this case, the Calendar Fee will be forfeited and calendar week in question will be awarded to the Organising Committee on the waiting list.

1.12 The EFHKC shall publish the first draft of the Events Calendar for the upcoming Competition Season no later than the [15 August].

1.13 Should an Organising Committee wish to change the dates of an Event after the annual Event Calendar is published, the original approved date will be treated as a cancellation with the Calendar Fee forfeited. The forfeited Calendar Fee, however, can be credited towards the application of a new Event in the same calendar year. A new CAF will have to be submitted following the Late Applications Procedure below.

1.14 Once the CAF is submitted, the Calendar Fee is non-refundable (except as described in 1.5 above) unless the Event is cancelled due to a Force Majeure and special approval is granted by the Board of Directors.

1.15 Only currently listed EFHKC Technical Officials qualified for the level of the Competitions (or FEI Technical Officials where the discipline rules allow) can be named to any EFHKC Affiliated Events. All Technical Officials named to an EFHKC Affiliated Event must be present at the venue when Competitions are underway.

1.16 In any EFHKC Affiliated Events, Ground Jury, represented by its President, represents the EFHKC and is tasked with the interpretation and enforcement of all applicable EFHKC Rules and Regulations.

The minimum number of Ranking Competitions offered in an Event varies according to Disciplines, and shall be stipulated by the Board of Directors from time to time according to the Rules of EFHKC Horse of the Year Awards.

2.2 Organising Committees whose Events are approved and listed on the EFHKC Event Calendar must submit a Draft Event Schedule for approval ahead of time. Draft Event Schedules not received by the deadline will be considered as a cancellation of the Event with the Calendar Fee forfeited.

2.3 The deadlines for submitting the draft Event Schedule for different level of Events are as follows:

2.6 The EFHKC Secretary General shall have the authority to approve EFHKC Affiliated Events according to the applicable EFHKC Rules and Regulations.

2.7 The EFHKC Secretary General shall have the authority to revoke any Affiliated Events and invalidate all awarded EFHKC Horse of the Year Awards Points should an Event fail to meet the standards and requirements laid down in the Approved Event Schedule or violate any applicable Rules and Regulations.

3. Late Application Procedures

3.1 Any Event applications submitted later than [15 July] of the preceding Competition Season shall be considered as late applications.

3.2 All late applications must be submitted at least 12 weeks before the start of the Event.

3.3 The EFHKC will not approve a new Event that is held on the same week of another approved Event.

3.4 For any late applications to be considered, the applying Organising Committee must secure the support of at least three other riding clubs in writing, stating their wish to send Athletes and Horses to participate in the Event.
