1. INTRODUCTION

- 1.2. The Games are governed by the Olympic Council of Asia (“OCA”). The equestrian competitions will run in accordance with the rules and regulations of the Fédération Equestre Internationale (“FEI”) in force during the Games time.
- 1.3. The Hong Kong Squad will consist of athletes for each of the disciplines of Dressage, Eventing and Jumping. Each discipline may have up to four team places available for athlete / horse combinations. Reserve combinations may be identified at selection, but will not travel to the Games unless they are subsequently selected on to the Squad
- 1.4. The Games will take place at the Tonglu Equestrian Centre, Yaolin Town, Tonglu County, Hangzhou (the “Venue”) from 26 September to 6 October 2023. Dates and venue are subject to change by the Organizing Committee (the “Organizers”).

2. AIM OF THE POLICY

- 2.1. The specific aim of this selection policy (the “Policy”) is to select athlete / horse combinations for nomination to the Squad that will deliver the best possible results for Hong Kong at the Games in the equestrian disciplines of Dressage, Eventing and Jumping, whilst upholding the reputation of the Federation in international equestrian sport.

3. CONFIDENTIALITY

- 3.1. It is vitally important for the integrity of the Policy that athletes, owners, performance managers, HKEPP team staff, selectors, staff and associated parties practice at all times a high degree of confidentiality relating to information which may have a bearing on selection. All confidential information, conversations and discussions will be identified as such. Any person who breaks this confidentiality will be removed from the process.

4. SELECTION PANEL

- 4.1 Selection will be undertaken by the HKEF Training and Selection Sub Committee (“TSSC”), with their recommendation being ratified by the Executive Committee of the HKEF.
- 4.2 All members of the TSSC will be appointed by the HKEF Executive Committee and will be free from all vested interests / conflicts of interest, in so far as is possible.

- 4.3 The Executive Director of the HKEF will maintain a register of conflicts of interest and all members of the TSSC will declare any potential or perceived conflicts as soon as they arise. In the instance of identified conflict of interest, selectors will abstain from the selection process.
- 4.4 Each member of the TSSC will have equal voting rights. Decisions must be reached by a majority and with no abstentions (unless a member is required to abstain due to a declared conflict of interest). In the event of no majority vote being reached, the final decision will be made by the HKEF Executive Committee.
- 4.5 All those involved in selection will act throughout the process with integrity, honesty and will use their discretion to select athlete / horse combinations on to the Squad, having due regard for the selection Policy set out below.
- 4.6 Other advisors will be used as required (e.g. Hong Kong Equestrian Performance Plan (HKEPP) personnel). To avoid conflict, HKEPP personnel, including the Head of Equestrian Affairs for the Hong Kong Jockey Club will advise the TSSC, but will not have a vote in the selection decision.

5. CHANGES TO THE SELECTION POLICY

- 5.1 The TSSC will have the right in exceptional circumstances to amend or change the Policy where necessary at any time in order to fulfil the objectives of the Policy. Any changes to the Policy must be approved in writing by the HKEF Executive Committee. The amended Policy in its entirety will be communicated to all athletes who are in contention for selection and the new Policy will be published on the HKEF website.
- 5.2 In the event of the relocation, cancellation or postponement of the Games all relevant parties will be notified immediately. In the event of postponement, a different team may be selected, in which case all parties will be notified and the selection Policy will be applied again.

6. ELIGIBILITY/AVAILABILITY FOR CONSIDERATION

performance. This will be the primary factor in selection, but consideration will be given as follows:

Dressage: results of combinations in FEI International PSG and Intermediate competitions (or above); considering the FEI star level of the show (if applicable) and the FEI star level of the panel of judges, the standing of the competition, the competitiveness of the other combinations (through FEI rankings) and the consistency and trend in scores throughout the season;

Eventing: results in competitions at FEI CCI2* (or above), the competitiveness of the other combinations (through FEI rankings), the difficulty of the courses, the ground and conditions, and the consistency and rate of progress of the combination. Form at long format competition will be particularly relevant ~~over that of short format~~;

Jumping: results in FEI classes at 1:45m (or above) at outdoor shows, the FEI star level of the show (if applicable), the standing of the competition, the difficulty of the course, the surfaces and conditions, the competitiveness of the other combinations (through FEI rankings) and the consistency and rate of progress of the combination. Proof of the ability to jump water jumps will also be considered;

8.1.2 The fitness and soundness of the horse. The advice of the HKEPP Programme veterinary surgeon or another appointed veterinary surgeon will be sought. Veterinary history will be taken in to account.

8.1.3 Results of an athlete on other horses at the same level (or above) as the Games. Additionally, results of the horse with other riders at the same level (or above) as the Games.

8.1.5 The physical conditions in which the Games will be held and the potential impact of those conditions on the athlete / horse combination's performance;

8.1.6 The performance of the athlete in previous Championships and Games and their ability to perform under pressure.

8.1.7 The willingness of the athlete to compete at shows / events identified by the performance manager as important for assessing performance. Athletes will be expected to give strong justification as to their reasons for not attending identified shows / events.

8.1.8 The willingness of the athlete and their owners, grooms, coaches, or other individuals to contribute positively to the Squad environment, the objective of the selection Policy and to abide by the Squad charter;

9. SELECTION PROCESS

9.1 **Selection:** The TSSC will meet in order to select the Squad and reserves as required. The TSSC will be briefed by the HKEPP staff as to the athlete's or horse's fitness for selection.

9.2 **Veterinary Matters:** As part of the selection process the advice from the Team Veterinary Surgeon will be taken into consideration. Where required, there may be an official inspection

of the horses where a blood and / or urine test may be taken, along with other assessment methods. Athletes are expected to facilitate open communication between their own Veterinary Surgeon and the Team Veterinary Surgeon.

Athletes are required to keep an FEI medication logbook for all horses considered for selection (in accordance with Article 1055 of the FEI Veterinary Regulations) and must produce the logbook to team personnel on request. Where held, the Athlete and his/her one representative will have an opportunity to present evidence as to the basis of their appeal. Additional accompanying attendance is subject to approval by the Appeal Panel. The proceedings should mainly be conducted in English. If either party wishes to address the Appeal Panel in Chinese or another language, the Appeal Panel must be advised in advance for arrangement. During the hearing, no photography, sound recording or video-taking is allowed without the prior approval of the Appeal Panel.
- 12.4 The Appeal Panel aims to make decisions that are not only fair and well-reasoned, but also speedy and timely. If appropriate, the Appeal Panel may make an oral decision at the end of the hearing with written explanation to be given to the appellant afterwards. In some cases, the Appeal Panel will need further time to consider the matter and will “reserve” its decision. This means it will let the parties know its decision at a later date.
